

THE GLOBAL MARK OF DISTINCTION IN ALTERNATIVE INVESTMENTS

CAIA Association continues to expand its network of alternative investment experts.

Why not become one of them?

Even as interest in alternative investments grows, there remains only ONE world-recognized designation for alternative investment expertise: the Chartered Alternative Investment Analyst (CAIA) designation.

That's why the CAIA Association is rapidly growing:

- Membership nearly doubled in 2009
- **Three new CAIA chapters opened** in Boston, Hong Kong and Germany in 2009
- Over 150 CAIA-sponsored events took place last year, more than triple the number in 2008, with an increasing number of member networks forming globally
- A revamped **Community Directory and Profiles** site launched, enabling members to make deeper connections with one another
- *AllAboutAlpha.com* and *CAIA.org* lead the Web in AI content, expertise, and networking
